In further response to the final Office Action, mail dated June 16, 2003 (Paper No. 39), the Advisory Action mail dated October 6, 2003 (Paper No. "unknown"), and the Interview of December 29, 2003, applicant respectfully requests entry of the following amendments to the claims. The amendments requested herein are based on the fact that applicant's "Amendment After Final" of September 2, 2003, was not entered as many of the amendments requested here are repetitious of those amendments.
